35% of the population of the USA is 50 years of age or older - that is more than 114 million people!  
Most of them don't have enough retirement savings to live a comfortable retirement should they choose to live their 'golden years' in their home territory.

With experienced world travelers as their guides, we showcase stunning destinations in Europe, Asia and South/Central America which offer very affordable retirement destination with a quality of life previously considered unattainable.

We explore all of the key issues such as:

- real estate
- medical care
- visas
- security
- money
- transport logistics
- food and beverage
- sporting pursuits and activities.

When time comes for YOU to retire, what choices will you make?
